## 1. CELEBRATE WATER

V-1/ We're all here to celebrate  
Something special, something great  
Take a guess, you're getting' hotter  
We're all here to celebrate water

C/ Water - rushin' and a'gushin'  
Water - drippin' and a'droppin'  
Water - splishing and a'splashing  
Flowing in a river  
Under the ground  
Up in the clouds it's all around - water

V-2/ Take it in there's lots to do  
Think of what water means to you  
Rain may fall but we're not bothered  
We're all here to celebrate water

C/

B/ Animals need it  
Plants need it  
You need it  
I need it too

C/
