12. DIVIN' DUCK BLUES

If the river was concrete & I was a divin' duck
If the river was concrete, I was a divin' duck
If I wanted to go swimming you know I'd be out of luck

If the river was oil & I was a speckled trout
If the river was oil, I was a speckled trout
I couldn't survive in there, there is no doubt

If the river was water, I would feel so good
If the river was water, I would feel so good
Things would be exactly the way things should
