

# Grey Bruce Children's Water Festival

## BASIC RULES & SAFETY PROTOCOL

*To ensure a fun and safe day please review the points below*

- ♦ St. John Ambulance will be on site, located on the arena side of the track.
- ♦ The Festival will run rain or shine. Please come prepared for the possibility of wet and cold weather.
- ♦ Please ensure children stay in their groups and are accompanied by an adult at all times. (including washroom breaks)
- ♦ Group leaders are to be fully aware of any medical conditions and/or allergies within their group.
- ♦ This year we will be having a **Boomerang- Litterless Lunch**, meaning any garbage/packaging that you bring with you to the Festival, goes home with you in your lunch bag!
- ♦ Due to allergies the Festival requires lunches and snacks to be peanut/nut free.
- ♦ Festival Organizers, identified by the Blue coloured t-shirts, will be located throughout the site. If you have any safety concerns, please speak to a Festival Organizer.
- ♦ In the event of a child going astray, please advise a Festival Organizer or St. John Ambulance and they will be able to assist you.
- ♦ In the event of an emergency, such as sudden severe weather, you will hear three long siren blows indicating immediate evacuation to the arena to await further instructions.
- ♦ We request that participants **DO NOT** bring two-way radios as it interferes with our emergency communication lines.
